

## High School Board Report

March 2023

1. **Band Festival:** Our band performed at Okemos High School for this year's festival and earned all II's. They did a great job and will receive medals and a plaque for the band room, drop by to check it out in the future.

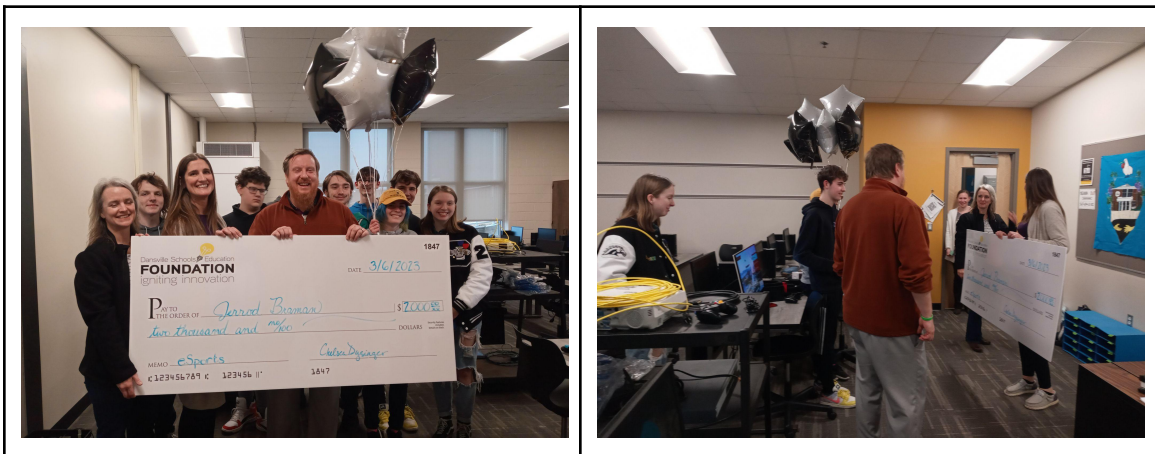

2. **District Champs!** What a ride! The girls had a great season with a CMAC and District championship to show for it. I was glad I got to experience a game in "The Barn" and what an experience it was, so much energy. It was great to see the community support throughout the post-season.

3. **State Individuals Wrestling:** We sent three Aggies off to compete at the Individual's State tournament with a send-off walk through the MS/HS and some TV interviews!

4. **BIG Check:** DSEF presented the HS with a HUGE gift. Our eSports team got \$2,000 to further their season goals!

5. **Syrup on Tap:** Mr. Sheridan and his classes have been tapping trees, hauling sap, and boiling syrup. I'm excited to get a taste of this year's batch. Be on the lookout so you don't miss out on getting yourself some.
