

High School Board Report

August 2022

- The Dansville High School Marching Band held their pre-season band camp at the beginning of August. The students spent time team-building as well as learning their music and marching maneuvers for this year's halftime show. They're looking pretty sharp!

- The High School kicked off the year with a NBA lineup introduction of our staff and then rolled out our new "Dorm" structure. This is a culture/spirit initiative that we hope to partner with our great advisory activities to get back some of the fun.

- Seniors have painted their parking spots, go check those out if you get a chance.

- Our cross country, football, soccer, and volleyball teams are hard at work. Practicing, scrimmaging, and some competing. Be sure to keep updated through our Athletics pages.
