

Dansville High School Board Update

January 2020

- The National Honor Society purchased turkeys and collected canned goods to deliver to Dansville families in need of food for Thanksgiving. They then collaborated with the HS PALS to provide Christmas food and gifts for our Aggie Family members in need. Our students, staff and several community members donated, which helped us to adopt 11 families for the holidays.
- Dansville High School students in Mr. Walter's Street Law class had an opportunity to participate in Ingham County Teen Court. Our Aggies were able to participate in the legal proceedings for court cases involving teens, which provided students a real life understanding of our judicial system.
- Dansville High School seniors and their parents had an opportunity to learn about educational financial aid and then had an opportunity to fill out their electronic FAFSA paperwork. The event was organized by Heather Lloyd and Ann Roboski from the Capital Area College Access Network (CapCAN).
- The high school PALS raised funds for every middle and high school student to receive a white Aggie t-shirt for our basketball "black-out" games. The students also took time to have Graffiti Day, where they wrote positive messages or words on each others' shirts.
- Dansville's FFA chapter sponsored the annual Mistletoe Dance, which had record attendance this year. The kids had a wonderful time at the special event.
- Dansville's National Honor Society partnered with the Red Cross to run a Blood Drive, which provided 34 pints of blood for people in need.
- Dansville High School students had an opportunity to go on a college visit to the University of Michigan and to Western Michigan University. The trips were organized by Ann Robowski and funded with CapCAN grants.
- Students in Mrs. Ebert's biology classes visited the "Human Body Exhibit" at the Grand Rapids Museum. The students enjoyed this presentation which travels nationally to various museums each year.
- Dansville High School's Drama Club performed ***A Walk in the Woods*** to students throughout the district. The students are already hard at work on their next production, which will be performed in March for our community.
- Matt Hubinger, Shawn Walter, Leah Braman and Tania Dupuis attended professional development at Ingham ISD on the newly adopted Michigan Social Studies standards.
