

Buddy Up With a Book

A black silhouette of a person lying on their stomach, reading a book. The person's legs are bent at the knees and raised in the air. The book is held open in front of their face.

The SBRC in conjunction with the Dansville Elementary PTO is bringing back the "Buddy Up With a Book" program. In the past years of incorporating this donation program, students, teachers, parents, community members and classrooms added several new hardcover books to our library through this two-way matching fund sponsorship program. This program offers our community an opportunity to invest in and expand the library collection by purchasing a book in honor or memory of someone. (Exam. Birthday or "just because")

HOW:

Our library coordinator, Mrs. Supiran, has chosen a number of hardcover books that she would like to see included in our resource center. Parents, students, and teachers may also recommend titles that would be positive additions to our library collection. These books will be placed on a special browsing stand. If you choose to "Buddy Up With a Book", you would pay one-half the total cost of the book. Our PTO will match your donation. Students may also co-sponsor a book with a friend or friends.

Example: A \$16.00 book would cost you only \$8.00 to sponsor.

YOU RECEIVE:

- A special bookplate placed on the inside cover of the sponsored book with you or your child's name and dedication.*
- A picture of your child with the book as a memento and one also displayed in the library.*
- A sense of pride, having added a new book to our library for the students of Dansville to enjoy for years to come.*
- A receipt for your tax-deductible gift upon request.*

WHEN:

Books will be available to sponsor and on display in the Searl Briggs' Resource Center, (Elementary Library). This program is open throughout the school year, so if a student finds a book he/she wishes to sponsor, he/she may bring home an information slip regarding the title and cost to confirm your permission.

Please feel free to drop by the SBRC anytime during the school day from 7:30 a.m. until 3:30 p.m. just to browse or inquire more about this program. If you have any questions regarding such, please call Kathy Supiran at 623-6120 Ext.272. Thank you.
