School Annual Education Report (AER) Cover Letter

August 12, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for Dansville Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact the elementary principal, Mr. Andy Cox, for assistance.

The AER is available for you to review electronically by visiting the following web site, www.dansville.org, or you may review a copy from the elementary office.

Adequate Yearly Progress

For 2010-2011, Dansville Elementary School made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

School Improvement Plan

Professional development for the teaching staff at Dansville Elementary School is driven by the school improvement plan. We continue to focus on literacy and math skills with an RtI approach. We will also be focusing on behavioral interventions in the upcoming school year. The School Improvement Plan is available in detail through the state's website at www.michigan.gov.

Core Curriculum

At Dansville Elementary School, the core curriculum in grades K-5 is aligned with the Michigan Grade Level Content Expectations. The curriculum framework does not vary from the State's model. Parents can request a copy of the curriculum guides in the elementary office. The content expectations are also available at www.michigan.gov.

Parent-Teacher Conference Attendance

Dansville Elementary School is proud of the level of parent participation in parent-teacher conferences. The chart below indicates the percentage of parent participation at parent-teacher conferences over the past two years.

School Year	November Conferences	March Conferences
2010-2011	91%	86%
2009-2010	90%	90%

Dansville Elementary School is pleased to continue its tradition of quality educators, a challenging curriculum, and outstanding parent involvement. This AER reflects the combined efforts of the staff, parents, and community. All of our stakeholders should be proud of our school's achievements, yet continue to look towards future growth.

Sincerely,

Andy Cox, Principal
Dansville Elementary School
