

### **Formulations and Adoption of Board Policy**

Board policy may not be in conflict with the operative law of the state of Michigan. The Board may determine policies on matters governed by permissive law but not mandatory law.

Board policy will be presented by the Superintendent or a committee of the Board. Each policy will have a first reading during a regular meeting of the Board of Education. If changed or amended the policy will continue to be a first reading status the following month(s). The Board may adopt a policy in the next month at a regularly scheduled meeting.
