

## **Parent Consultation - Chapter I**

The Dansville School District will provide the following activities for parent consultation to meet the requirements of section 200.53 of Chapter I Education Consolidation and Improvement Act of 1981, as stated in the Federal Register, Vol. 51 No. 96, dated May 19, 1986.

- (1) Parents will be notified of their child's inclusion into the program and the reasons for participation.
- (2) The child's progress will be reported to his/her parents at the end of each semester.
- (3) Provide for two (2) scheduled parent-teacher conferences per year and any additional conferences requested by the Chapter I teacher or parent.
- (4) Invite parents to attend a fall and spring meeting annually to provide Chapter I information, program design, and solicit parent's suggestions on program development, planning, evaluation and operation.
