

Review of Policies and Bylaws**1143.2**

The Board is committed to a regular and systematic review of its Policies and Bylaws. A policy Committee shall be appointed in July of 2009 (and in odd number years thereafter) to conduct such a review and perform such amendments, additions and/or deletions the Board deems appropriate. The Superintendent shall advise the Board on the need for review or revised policies that are updated and aligned with state and federal requirements, regulatory applications, contractual obligations and regional needs. The Policy Committee shall remain active as long as the Board directs.
