

## **School Lockers and Locker Contents**

### **LOCKERS ARE SCHOOL PROPERTY:**

All lockers assigned to pupils are the property of the school district. At no time does the school relinquish its exclusive control of its lockers. The school principal or his/her designee shall have custody of all combinations to all lockers or locks. Pupils are prohibited from placing locks on any locker without the advance approval of the school principal or his/her designee.

### **LEGITIMATE USE OF SCHOOL LOCKERS:**

The school assigns lockers to its pupils for the pupils' convenience and temporary use. Pupils are to use lockers exclusively to store school-related materials and authorized personal items such as outer garments, footwear, grooming aids, or lunch. Pupils shall not use the lockers for any other purpose, unless specifically authorized by school board policy or the school principal or his/her designee, in advance of pupils bringing the items to school. Pupils are solely responsible for the contents of their lockers and should not share their lockers with other pupils with the exception of pupils assigned to share a locker, nor divulge locker combinations to other pupils, unless authorized by the school principal or his/her designee.

### **SEARCH OF LOCKER CONTENTS:**

Random searches of school lockers and their contents have a positive impact on deterring violations of school rules and regulations, ensure proper maintenance of school property, and provide greater safety and security for pupils and personnel. Accordingly, the board authorizes the school principal or his/her designee to search lockers and locker contents at any time, without notice, and without parental/guardianship or pupil consent.

The school principal or his/her designee shall not be obligated, but may request the assistance of a law enforcement officer in conducting a locker search. The school principal or his/her designee shall supervise the search. In the course of a locker search, the school principal or his/her designee shall respect the privacy rights of the pupil regarding any items discovered that are not illegal or against school policy and rules.

### **SEIZURE:**

When conducting locker searches, the school principal or his/her designee may seize any illegal or unauthorized items, items in violation of board policy or rules, or any other items reasonably determined by the principal or his/her designee to be a potential threat to the safety or security of others. Such items include, but are not limited to the following: firearms, explosives, dangerous weapons, flammable material, illegal controlled substances or controlled substances analogues or other intoxicants, contraband, poisons, and stolen property. Law enforcement officials shall be notified immediately upon seizure of such dangerous items, or seizure of items that schools are required to report to law enforcement agencies under the Statewide School Safety Information Policy. Any items seized by the principal or his/her designee shall be removed from the locker and held by school officials for evidence in disciplinary proceedings and/or turned over to law enforcement officials. The parent/guardian of a minor pupil, or a pupil eighteen (18) years of age or older, shall be notified by the school principal or his/her designee of items removed from the locker.

*NOTICE OF POLICY:*

A copy of the local school board policy regarding locker searches shall be provided annually to each pupil and parent/guardian of the pupil assigned a school locker.

*PAYMENT OF DAMAGE*

Students are responsible for their locker and its contents. At the end of the school year, students will be charged for damage above normal wear, for removal of items attached to the locker, such as pictures, gum or other items and may be charged for repainting if the student(s) willfully removed the paint, or defaced the locker in any way.
