END OF SECTION

## **TERMS AND CONDITIONS**

1. Bids will be evaluated on many criteria deemed to be in the best interest of Dansville Schools including, but not limited to, price, experience and expertise of the Contractor and their employees, ability to meet specifications and requirements of this ITB and references. Dansville Schools reserves the right to accept that bid which, in its opinion, provides the best overall value, rather than simply choosing the low bidder. All considered bids should meet or exceed all specifications herein.
2. Dansville Schools reserves the right to accept or reject any or all bids, or portions thereof, and to split any ensuing award among multiple contractors or to award the bid in whole to one contractor.
3. Dansville Schools reserves the right to conduct discussions, request additional information (including price clarifications) and to negotiate with selected contractor(s) prior to award of the contract.
4. Bid submission shall be firm for ninety (90) days from the date of bid opening.
5. Contractor agrees, that in the performance of its work under this contract, it shall abide by and comply with all applicable Federal, state and local laws, codes and regulations, including but not limited to the Occupational Safety and Health Act of 1970.
6. It is the responsibility of the Contractor to keep informed of all existing and future federal, state, county or local ordinances and regulations which in any manner affect the work to be performed. The Contractor and all his/her agents shall at all times observe and comply with all such laws and ordinances, and shall protect and indemnify Dansville Schools and all their representatives against any claim, loss, or liability arising or resulting from violation of any such laws or ordinances.
7. This contract and/or any part of this contract are not to be subcontracted out without prior written approval from Dansville Schools. If contract is subcontracted out, vendor is responsible for all actions of the subcontractor.
8. The Contractor will protect, defend and indemnify Dansville Schools, its officers, agents, volunteers and employees from any and all liabilities, claims, liens, fines, demands and costs, including legal fees, of whatsoever kind and nature which may result in injury or death to any persons, including the Contractor's own employees, and for loss or damage to any property, including property owned or in the care, custody or control of Dansville Schools in connection with or in any way incident to or arising out of occupancy, use, service, operations, performance or non-performance of work in connection with this contract resulting in whole or in part from negligent acts or omissions of Contractor, any subcontractor, or any employee, agent or representative of the Contractor or subcontractor.
9. The Contractor shall assume responsibility for any required notifications and area postings.
10. The Contractor shall remove from the premises all his/her waste materials and rubbish

resulting from his/her operations and shall remove all debris from sidewalks, pathways and parking lots. If Contractor fails to clean up on the same day as work is completed, Dansville Schools may do so and the cost thereof shall be charged to the Contractor as a deduction in his/her contract price.

11. Dansville Schools shall not be responsible for any cost or expense the Contractor incurs in implementing the requirements of this bid document. All equipment, transportation, disposal fees and other pertinent expenses necessary for proper execution of the contract are the responsibility of the Contractor and are to be included and considered part of the bid price.
12. Dansville Schools expects that the contract with the successful contractor will include a high level of customer service.
13. Monthly invoices for services completed shall be sent by email to [jacox@inghamisd.org](mailto:jacox@inghamisd.org) or by U.S. Mail to Ingham Intermediate School District, 2630 W Howell Rd, Mason, MI 48854. Invoices are to be received by the 25th day of each month for timely processing. All payment terms will be Net 30. Any early payment discounts should be noted in the appropriate spot of Attachment B – Additional Vendor Information.
14. Contractor shall maintain in effect at all times during the term of this Agreement, with insurers licensed to do business in the State of Michigan, and shall furnish satisfactory evidence to Dansville Schools of the following insurance coverage. Certifications of insurance shall name Dansville Schools as additional insured parties for all coverage listed below.
  - a. Commercial General Liability Insurance on an “occurrence” basis with limits of liability not less than One Million Dollars (\$1,000,000) per occurrence and Two Million Dollars (\$2,000,000) aggregate limits for personal injury, bodily injury and property damage liability.
  - b. Workers’ Compensation Insurance including Employers Liability coverage, in accordance with all applicable statutes of the State of Michigan.
  - c. Employment Practices Liability (EPLI), including third party coverage, in an amount not less than \$500,000.00.
  - d. Motor vehicle liability insurance for contract-based occurrences of which the Contractor’s employee and/or all other relevant party’s automotive liability insurances have been subrogated and exhausted to the extent of Michigan Insurance Law in the amount of \$500,000.00.
  - e. Commercial Umbrella Liability coverage – over all of the above coverages and limits in an amount not less than 1,000,000.00.
  - f. Cancellation Notice: Certificates must be endorsed to give Dansville Schools at least 30 days’ notice of cancellation or material reduction of insurance coverage.
15. The Contractor must know that Dansville Schools is a governmental unit, and is thus exempt from the payment of all State and Federal taxes. The prices quoted by the Contractor must therefore not include taxes.
16. Submission of a bid indicates acceptance by the Contractor of the terms and conditions

contained in this Invitation to Bid, unless clearly and specifically noted by the Contractor in the applicable section of the Vendor Signature Page, Attachment A, of the bid submitted. Any exceptions will need to be confirmed in writing by Dansville Schools before they are accepted.

17. After a bid has been awarded, the Contractor shall not be allowed any sum above the price(s) specified in the bid, unless agreed to in writing by Dansville Schools.
18. Contractor shall inspect the work site and take such steps as may be reasonably necessary to ascertain the nature of the work; and general and local conditions which can affect the work or cost thereof. Failure to do so will not relieve the bidders from responsibility for estimating properly the difficulty or cost of successfully performing the work.
19. This solicitation/ITB, the bid submitted by the successful Contractor, attachments and mutually negotiated addenda constitute the entire contract between the Contractor and Dansville Schools. Additional documents and/or agreements, including non-negotiated provisions developed by the Contractor, are not part of the executed contract.
20. Scheduling of work must be coordinated with Dansville Schools facilities department in order to avoid disruption or unsafe conditions.
21. The safety of the Contractor's employees, Dansville Schools employees and students and the Public is of prime concern to Dansville Schools, and the Contractor must take all necessary steps to assure proper safety during the performance of the contract. Any bidders that have a history of safety problems or a high incidence of accidents will not be considered for award of a contract.
22. Contractor shall comply with all applicable federal, state and local health, safety and environmental laws, codes and requirements. Each Contractor shall have a first aid supply kit on site available to its employees.
23. All machinery shall be operated by trained and qualified personnel.
24. Contractor shall perform all work so that no damage is done to Dansville Schools buildings, grounds or property. This includes all items that are on Dansville Schools property, regardless if Dansville Schools owns the property and/or equipment. Contractor shall be responsible for all damages to the above mentioned property caused by either equipment or operator error and shall repair any damage to the satisfaction of the Owner. The Owner reserves the right to repair all damages with other sources if the Contractor fails to do so. The Contractor shall then be back-charged for all costs required to complete these repairs.
25. Owner is committed to an alcohol and drug free work environment.
  - A. Possession, distribution, or sale on the project premises, facility, or other work places of alcoholic beverages, intoxicants, drugs and related drug paraphernalia is strictly prohibited.

- B. Person's shall not report for duty or perform work while under the influence of any drug, alcoholic beverage, or intoxicant.
  - C. No smoking or tobacco products shall be allowed on Owner's property at any time, including in personal vehicles.
26. A fall protection system shall be utilized when an adjacent surface is six-feet (6'-0) or more below foot level.
27. Personal fall arrest systems shall be properly worn and actively used by all workers when an adjacent surface is six feet (6'-0) or more below the foot level of the person unless other adequate fall protection such as guardrails are in place.
- a. All components (anchorage points, lanyards, clips etc.) of a fall arrest system shall be of a type recommended for the work being performed and the conditions to be encountered
  - b. The entire system shall be as approved by the system manufacturer and all local and federal health and safety requirements.
28. Wire rope guard rail systems providing fall protection shall incorporate loop type connections with a minimum of two (2) wire rope clamps.
- a. Turnbuckles shall be installed at each side or at more frequent intervals to maintain required tautness of the wire rope.
  - b. Wire rope horizontal lifelines shall be designed by a registered professional engineer and installed and maintained by a competent person.
  - c. Wire rope life lines shall be designed to meet, at a minimum, the requirements of OSHA.
29. Flat roofs and decks shall have a warning barrier meeting, at a minimum, the requirements of OSHA may be used 15 feet from the fall hazard. Warning tape or other such means is not allowed, persons between the warning barrier and fall hazard shall utilize a positive means of fall protection.
30. Persons erecting, using and dismantling scaffolds shall be trained in the hazards and safe procedures to be followed to eliminate exposure to those hazards and shall utilize fall protection when six feet (6'-0) or more above an adjacent surface.
- a. Contractor's designated Competent Person shall inspect all scaffolds prior to each work shift.
  - b. All scaffolds shall bear a tag, signed and dated by the contractor's Competent Person, denoting that the scaffold has been inspected and is safe to use prior to an employee utilizing the scaffold on that work shift.
31. Contractor shall implement a Hazard Communication Program in accordance with federal, state and local and other applicable requirements.

- a. Maintain project specific Material Safety Data Sheets (MSDS) on the project site available to its employees for all hazardous chemicals and post the location of (MSDS), as well as the contact person and telephone number, of the person responsible for managing this file;
- b. Provide employees of other employer(s) on the project site access to (MSDS) for each hazardous chemical their employees may be exposed to.
- c. Notify Owner and other Contractors in the work area when hazardous chemicals will be in use and potential hazards which may be encountered.

END OF SECTION

## **INSTRUCTIONS TO BIDDERS**

### **1. BIDDER'S REPRESENTATION**

Each Bidder, by submitting a bid, represents that the Bidder has read and understands the Bidding Documents, has visited the site and is familiar with the local conditions under which the work is to be performed and has made his own review therefore of the facilities and difficulties attending the performance and completion of the work.

### **2. BIDDING PROCEDURES**

All bids must be submitted on the unaltered Bid Proposal Form provided as part of the Bid Documents and in accordance with these Instructions to Bidders.

Bidder shall ascertain prior to submitting a bid that he has received all Addenda issued and shall acknowledge receipt on the Bid Proposal Form.

Bids shall be submitted in an opaque, sealed envelope. Facsimile bids will not be accepted.

A bid shall be invalid if it is not delivered to the location indicated in the Advertisement/Invitation for Bids on or before the required bid due date and time.

No responsibility shall attach to the Owner, or their representatives, for premature opening of any proposal, which is not properly addressed, delivered and identified.

Negligence in preparation, improper preparation, error in and/or omissions from the bid shall not relieve the Bidder from fulfillment of any and all applicable obligations and requirements of the contract documents.

Voluntary alternates will be considered at the Owner's discretion.

Bidder shall not modify, withdraw or cancel a bid or any part thereof for ninety (90) days after the time designated for the receipt of bids.

All questions during the bidding period shall be in writing and sent to Carolyn Jones via email by May 3, 2017 by 5pm to [cjones@inghamisd.org](mailto:cjones@inghamisd.org). Questions and answers will be sent to all vendors who have submitted an intention to bid by May 5, 2017.

### **3. EXAMINATION OF BIDDING DOCUMENTS**

Each Bidder shall examine the Bidding Documents carefully and shall make written request to Owner for interpretation or correction of any ambiguity, inconsistency or error therein discovered. Only written interpretation or correction by Addendum shall be binding. This process should follow the question and answer period outline.

Each Bidder shall submit a bid proposal based on the entire set of Bid Documents and addendums. Bidders shall review all Drawings and Specifications to identify work related to its respective bid category.

Any incidental item of material, labor or detail, required for proper execution and completion of the Work, omitted from the Contract Documents, but required by governing codes, local regulations, trade practices, operational functions, and quality workmanship, shall be provided as part of the contract Work at no additional cost, even though not specifically detailed or noted.

Trade Contractor shall not scale Drawings to obtain dimensions.

### **4. BIDDER'S EXAMINATION OF PREMISES**

The Bidder represents that it has carefully inspected the Project site and examined the Drawings and Specifications and other Contract Documents and is familiar with and has satisfied itself as to the nature, location and amount of the work, the Bidder's access thereto and ability to perform the work, local code requirements applicable to the work and requirements of permits and inspections, safety and barricade requirements, the terms and conditions of any applicable project labor and collective bargaining agreements, as well as the quality, quantity and availability of labor, materials, equipment and facilities and other items required for the performance of the work and the possible limiting physical and other conditions which may be encountered in the performance of the work and

assumes all risks therefrom. The Bidder has determined, by its own investigation and research, all the conditions affecting the work to be performed and materials to be furnished and does not rely upon any representation by the Owner in connection therewith. In performing the work, Bidder accepts the condition of the Project site as-is and assumes the risks with regard to existing conditions at the Project site.

The Bidder shall take its own measurements and be responsible for the correctness of same.

The Bidder shall be held to have made such examinations of the premises and no allowances will be made on its behalf by reason of error or omission on its part.

Plans, diagrams and other descriptive information which depict existing conditions are provided for scope identification and scheduling purposes only. Quantities, elevations, measurements and locations shown may have been approximated and/or gathered from dated, incomplete original construction documents. This data should not be used for bidding purposes without field verification by the Bidder.

The Bidder's own Contract Document review and site inspection review of the work areas shall be relied upon to provide the Bidder information which may be required to properly execute and complete the work.

Each Bidder shall examine the premises carefully and shall make written request to Owner as outlined in the question and answer process. Only written interpretation or correction by Addendum shall be binding.

Submission of a bid indicates acceptance by the Vendor of the terms and conditions contained in this ITB, unless an exception is clearly and specifically noted by the Vendor in the bid submitted. Any vendor exceptions will need to be confirmed in writing by Owner before they are accepted.

## **5. SUBSTITUTIONS**

Each Base bid shall be based upon materials and equipment described in the Bidding Documents

Material and equipment substitutions will not be considered unless they are submitted as a Voluntary Alternate and include the following as applicable:

- A. Complete description of the proposed substitution.
- B. Information regarding specified material or equipment for which substitution is being submitted.
- C. Manufacturer's literature.
- D. Performance and test data.

- E. Effect on performance characteristics.
- F. Any other data or information necessary for a complete evaluation.

## **6. OWNER RIGHTS**

Bidder acknowledges the right of the Owner to reject any or all bids and to waive any informality or irregularity in any bid received. In addition, the Bidder recognizes the right of the Owner to reject a bid for any reason including but not limited to the following:

- A. Bidder fails to furnish or submit data required in the Bidding Documents
- B. Bid is in any way incomplete or irregular
- C. Bidder's performance as a Contractor was unsatisfactory under a prior contract for the construction, repair, modification, or demolition of a facility with the Owner
- D. Known poor performance on prior contracts with parties other than the Owner
- E. Unsatisfactory financial condition

Owner reserves the right to accept that bid which, in its opinion, provides the best overall value to the Owner, rather than simply choosing the low bidder. All considered bids must meet or exceed all specifications herein.

The Owner may accept alternates which serve its own best interest. The Owner shall have the right to accept alternates in any order or combination and to determine the low Bidder on the basis of the sum of the base bid and bid alternates accepted.

Owner reserves the right to request clarification from vendors following the bid submission, including a pre-award conference to confirm specific items in the bid before an award is made to Vendor. Formal presentations may also be requested as necessary.

## **7. EQUAL OPPORTUNITY EMPLOYMENT POLICIES**

The Bidder agrees that it will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin or age. The Bidder shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to race, religion, color, sex or national origin.

## **8. QUALITY ASSURANCE**

Contractor shall be responsible to implement a quality control program relative to its suppliers, manufacturers, products, services and workmanship, to assure Work of specified quality.

Comply fully with manufacturer's requirements. Conflicts with manufacturer's requirements and the Contract Documents shall be brought to the attention of the Owner for review and direction by the Owner prior to proceeding with the Work.

Standards of quality required in the Contract Documents shall be considered as minimum standard. Contractor shall meet higher standards of quality as required by authorities having jurisdiction over the project or other entities as applicable.

Conflicts in the Contract Documents shall be brought to the attention of the Owner for clarification and direction prior to proceeding with the Work.

Material, equipment, supplies or workmanship found not to comply with the Contract requirements shall be promptly corrected by the Trade Contractor.

## **9. BID SECURITY**

Each bid shall be accompanied by a bid security in an amount of not less than 5% of the total base bid sum, pledging that the Bidder will enter into a contract with the Owner under the terms stated in the Bidding Documents.

The Owner will have the right to retain the bid security of Bidders under consideration until either:

- A. The Contract has been executed, or
- B. The specified time has elapsed so that bids may be withdrawn, or
- C. All bids have been rejected.

The amount of the bid security shall be forfeited to the Owner upon failure of the successful Bidder to enter into a Contract within fifteen (15) days after acceptance of the proposal.

The bid security can be in the form of a bid bond or a certified check.

END OF SECTION

## **SCOPE OF WORK – GENERAL NOTES**

### **1. GENERAL**

All Trade Contractors shall be bound to all requirements and conditions applicable to the work of their respective area – Procurement and contracting Requirements – General Requirements, Drawings, Specifications and Addenda.

Scope of Work General Notes shall include the following items required for, caused by or resulting from its Work.

### **2. GENERAL NOTES**

Coordinate and cooperate with all entities associated with the project including the Owner, Independent Testing and Inspection agencies, local and other governmental authorities. Cost incurred as a result of lack of coordination of work, deliveries, access required by others, testing/inspection, schedule, penetrations, etc., shall be the responsibility of the Trade Contractor failing to notify others of action to be taken or other requirements.

Provide written reports as requested.

Delivery and storage of materials and equipment shall be the responsibility of Contractor.

All means and methods, labor, material, tools, construction equipment and machinery necessary, including cranes, hoisting equipment, scaffolding, shoring and bracing, to complete the work.

The Contractor shall obtain and pay for all permits and fees associated with its work and provide evidence of same to Owner.

Barricades, traffic maintenance and control as required.

Confine operations at the site to areas permitted by the Owner or Owner's rep.

Protection and safekeeping of Contractor's own materials and equipment stored on the premises.

Protect all existing structures, equipment, trees, landscaping, etc., to remain.

Dust control to prevent nuisance and hazard.

Cleaning of street of mud and debris.

Daily clean-up shall include broom cleaning, dumpster cost and removal of identifiable debris and rubbish from site.

Use of tobacco products is not allowed on the project site or anywhere on school campus. This includes any vehicles on school campus.

Vendor is responsible for all costs required to implement the work outlined in this bid. After a bid has been awarded, the Vendor shall not be allowed any sum above the price specified in the bid submitted, unless agreed to in writing by Owner.

Vendor will follow all Dansville School policies.

### **3. TEMPORARY UTILITIES**

Contractors shall not use temporary light and power system for electric heating, welders or for tools requiring larger than minimum loads available.

If work of separate Contractors or Subcontractors requires three phase power or voltage exceeding 120 Volts for tools or equipment, that Contractor or subcontractor with additional power requirements shall provide required temporary distribution system.

Contractor shall remove temporary light and power system when no longer required.

Temporary water will be available from the building.

Contractor welding, cutting or performing any work which gas has potential to result in a fire, shall provide approved fire extinguishing apparatus in the immediate area.

Hot Work Permits shall be obtained for any Work involving flame.

Contractor shall keep his area clean of combustible debris.

END OF SECTION

## **PROJECT SCHEDULE**

### **1. GENERAL**

Project dates identified herein shall become binding under the Contract.

The Bidder represents that it will provide sufficient labor, material, supervision, equipment and other necessary resources to achieve the project dates.
