Secondary Board Report

October 2026

- **Homecoming 2026!!!** Disney Princesses took over HoCo this year! We started the week on Saturday with our Float Build Day, had a week full of Spirit, competitions, a lot of FUN, Ag Olympics, and ended the week celebrating our HoCo Royalty and cutting a rug at the dance! My favorite part was obviously having my face put on a T-shirt!

- **Aggie Night**: We celebrated several groups of students at our annual Aggie Night program. The Class of 2030 committed to graduating, and it's always fun to hear about their current, future plans. We honored 87 students for their academic achievements from last school year, and ended the evening by inducting our new members into NHS.

2025-26 Honors

Class of 2030

- **Middle School Student Council:** The MS student council students have picked up morning announcements! They're doing a great job keeping everyone informed of MS happenings and upcoming events!

- **PSAT/NMSQT testing**: 20 students took the PSAT/NMSQT test to both prepare and practice for the upcoming SAT test. We're excited to see how they scored.

- **College Application Week**: Mrs. Lloyd and Mr. Hancock walked all of our seniors through the college application process and helped them get one step closer to their post-secondary goals! They had donuts, cider, and a coffee bar for some extra motivation!!!

- **Lunch Visits**: We've had a steady stream of post-secondary programs visiting the students at lunch, answering questions and talking with them about their futures.

- **Middle School Band**: The Middle School 7-8 Band went on our annual field trip to Michigan State University on October 16 to watch the Spartan Marching Band rehearse. The students enjoyed seeing the college band up close and got a great insight into improving their own musicianship and how a college group rehearses. Thanks to our admin and board for the opportunity to attend this fantastic field trip again!

- **Parent-Teacher Conferences**: Our Fall parent-teacher conferences were a great success. We had a good turnout both nights! Shout-out to the parents who put together an amazing meal for the teachers!

- **Fall Murphy Award**: Ryker Graf was nominated by our staff as the Fall Murphy Award recipient. She was celebrated by the Williamston Rotary at a breakfast and received a gift from them.

- **Grand Ledge Marching Band Exhibition**: The Pride of the Aggies competed against area marching bands at Grand Ledge High School, representing Dansville well. They got some positive feedback from the judges, and as a little treat, they were able to see the MSU marching band, including some Dansville Alum!
