

Dansville Elementary School February Board Update

- The winter FAST Bridge screening was completed in January. Data has been analyzed within grade level teams to determine which interventions need to be intensified or scaled back as appropriate especially when determining flexible small group instruction. This data is also used to help determine students who should receive Aggie Academy invitations (summer school).
- Big plans are underway to make March is Reading Month a major success. The DES theme this year is March Madness: Don't Pass Up a Good Book. Special decorations, reading trackers, prizes and fun dress up days are all a part of the festivities of Reading Month. A Read-A-Thon fundraiser is also happening during this busy month.
- Kindergarten Round-Up will be held on March 11, from 4:00-6:00 in the elementary school. This is a big event to give us an idea of how many students to plan for during the next school year. We are expecting around 40 families to attend.
- Elementary parent teacher conferences will be held on March 5th and 6th from 4:00-7:00. There will also be a Scholastic Book Fair open in the library during those times as well.
- February featured lots of fun activities including Valentine's parties, fun art projects, and *The Wild Robot* family book club!
