

Dansville Elementary School September Board Update

- DES is continuing to partner with Marco's Pizza for monthly Marco's nights. Every third Thursday, a percentage of sales benefits Dansville Elementary for programs such as moms and muffins, dads and donuts, Mother's Day tea, etc. We appreciate this continued partnership.
- We are excited to have Moms and Muffins and Dads and Donuts events again this year. Angie St. Amant will be leading Moms and Muffins and Josh Andrews will be leading Dads and Donuts. These events will take place monthly. Meijer sponsored our first event and Victory Martial Arts will be sponsoring our October event.
- FAST Bridge and Spring Math screening data has been collected and analyzed at grade level meetings. This helps us pinpoint which students require additional academic support and interventions. Amy Convey is providing Title I Reading Interventions and Dawn Oesterle is providing Spring Math interventions. SAEBRs screenings were also completed by teachers and results were used to help create social groups that will be run by Jessica Herzfeld and Breah Remington.
- 5th Grade Camp is taking place September 23-27. A big thank you to Andrea Salinas as she coordinates the details related to this amazing experience. Deb Plourde, Stephanie Case and Angie St. Amant round out the teaching team with a whole crew of parent volunteers for which we are thankful. We could not pull this off without parent involvement.
- Homecoming Spirit Week was a fun time throughout the district! Elementary students loved participating and attending the pep assembly.
- 5th grade students and teachers are excited to have 1:1 chromebooks this year! Kindergarten students are 1:1 with iPads that have been passed down from secondary students. This allows 1st-4th grade classrooms to have one chromebook for every two students!
