

Dansville Elementary School January Board Update

- Students and Staff had a great time celebrating the holidays with class parties, visits from the Grinch and Max (Thanks Rick Miller and Zander!), and our all-school sing!
- FAST Bridge and Spring Math screening has been in full swing the past two weeks. This is an important time to get a quick check on student progress as we compare their results to their fall data. Decisions will then be made about additional interventions needed to support student growth such as Summer School, classroom interventions, and/or time with an Instructional Aide.
- Kindergarten Round-Up will be held on March 11, from 4:00-6:00 in the elementary school. This is a big event to give us an idea of how many students to plan for during the next school year. Please spread the word to anyone you know who may have a student turning 5 by September 1 (for Kindergarten) or turning 5 before Dec. 1 (for Beginndergarten or Kindergarten on a waiver). If they are not old enough for Kindergarten or Beginndergarten, they may be eligible for our GSRP program.
- PreK for all has been rolled out at the state level! We are excited for enrollment in our GSRP program to begin in February. Charlotte Birmingham and Amy Popek have created a rubric to help guide our decisions as we fill our PreK slots.
- High School soccer players have been partnering with elementary PE to teach them soccer skills during their soccer unit this month. We love having the opportunity to partner with “big kids” in the district!
