

Dansville Elementary School May Board Update

- Community Day was a huge success across the district! Elementary students worked with their middle school buddies to complete community service projects including making birthday kits and personal care kits for local homeless shelters, as well as placemats for assisted living facilities and many other projects! This year we also had visits from Carson Voss, Officer Sweedyk, Officer Scruggs, and Sargent Birmingham!
- M-STEP testing has been completed for all 3rd-5th grade students. FAST Bridge and NWEA benchmark testing is underway as well!
- Fifth grade graduation takes place on Wednesday, May 27. Thanks to Stephanie Case, Deb Plourde, Andrea Salinas and Kim McNabb for their hard work planning!
- Aggie Academy will provide instruction for K-5 students from June 2- June 26 on Mondays-Thursdays from 8:30-11:30. 61 elementary students are currently enrolled. Busing, breakfast, and lunch are provided this year!
- Field Day is planned for Tuesday, May 26. Carrie Kodish has been hard at work planning the fun day!
