

## **Middle School and High School Board Updates**

October 2017

- Both DMS and DHS students participated in Community Day on September 22<sup>nd</sup>. We were able to do several community projects, and raised money for Many Hands with a coin and scrap metal drive.
- This year's Homecoming events were a great success. We had a large number of students participate in a Spirit Week competition, float building, a pep assembly, the parade, FFA dinner and the dance. The week's activities were organized by the PALS, which is led by Ethan Felsing, and our cheerleaders led by Sydney Haag.
- DMS students completed math and reading screening using our new computer adaptive program, FAST Bridge. The data will be reviewed by the staff for intervention work and shared with the parents at conferences.
- DHS Sophomores attended a presentation on the offerings at the Wilson Talent Center. Sign-up for program next year's programming will begin second semester.
- The NHS students partnered with the Red Cross to sponsor a Blood Drive. Our Dansville students and community members donated 31 pints of blood to help others.
- Our FFA students have begun raising chicks for this year's Broiler Contest, which will be held in early November.
- Leah Braman, Sydney Haag, Linsey Ebert, Pauline Lee, Tracy Galloway and Tania Dupuis attended training that focused on improving student learning through the use of research based strategies.
- DHS students involved in PALS or NHS attended a leadership conference, which focused on how student leaders can create a positive school culture. Our attendance at the conference was sponsored by Jostens and our representative Mark Hergenrader.
