

Dansville Elementary School February Board Update

- The winter FAST Bridge screening and the NWEA assessments were completed in early February. Data is being analyzed within grade level teams to determine which interventions need to be intensified or scaled back as appropriate especially when determining flexible small group instruction. This data is also used to help determine students who should receive Aggie Academy invitations (summer school).
- Big plans are underway to make March is Reading Month a major success. The DES theme this year is Once Upon A Book: The Adventure Awaits. Special decorations, reading trackers, prizes and fun dress up days are all a part of the festivities of Reading Month. A Read-A-Thon fundraiser is also happening during this busy month.
- Kindergarten Round-Up will be held on March 24, from 4:00-6:00 in the elementary school. This is a big event to give us an idea of how many students to plan for during the next school year. We are expecting around 40 families to attend.
- Elementary parent teacher conferences will be held on March 4th and 5th from 4:00-7:00. There will also be a Scholastic Book Fair open in the library during those times as well.
- February has featured lots of fun activities including Valentine's parties, fun art projects, and the *How to Train Your Dragon* family book club!
