Re: DES update

· The Back-to- School Bash was well attended this year with a free hot dog dinner provided in our cafeteria. We also had community groups at Bash for the first time in several years. Brenda Moran played a key role in helping organize our community groups and decorations.

· The first few days of school have been a huge success with a lot of happy faces from students, staff, and parents! We are looking forward to a great year!

· Preparations are underway for the fall round of screeners. FAST Bridge is given to collect the latest literacy data and Spring Math is used to collect math data.
