

Dansville Middle School Board Updates

May 2026

- Community Day 2026 was a great day for our students. The middle school kids paired up with a “buddy class” from the elementary. They heard Aggie alumni Carson Voss talk about working toward goals and heard first responders explain how they help the community. They also completed several service projects including spreading mulch and creating hospital care kits.
- The DMS Student Council members sponsored the last dance of the year. The kids had a fun time with the NEON theme.
- The 6th, 7th, and 8th grade bands performed their Spring Concert for family, friends and community members.
- Sixth-graders Alaura Jackson, Marlowe Pickell, and Lilliana Wade had their stories selected for the Young Writers of America’s Unsolved Case Files. This creative writing competition was open to students aged 10-18, and required a short story that focused on suspense, crime or mystery.
