

## Dansville Middle School Board Updates

November 2024

- We are continuing to celebrate our students in various ways. This month, we focused on Aggie Achievers who have completed all their assignments and are class leaders.
- The middle school students participated in fun activities during our October half-day, including a costume contest and making slime. The morning ended with a door decorating contest and spinning the wheel for house points.
- Our 7<sup>th</sup> and 8<sup>th</sup> grade band students presented their first concert of the year, which was shared with the DHS Marching Band. The group also went on an after-school field trip to watch the Michigan State University Spartan Marching Band practice.
- Our students had an opportunity to learn more about Veterans Day by attending a War Fair and assembly organized by students in Mrs. Braman's high school English Language Arts class. Our students are fortunate to take part in this special annual event honoring Veterans.
