

Dansville High School Board Update

December 2020

- The Dansville High School PALS organized a Christmas gift collection for our Aggie Family members in need. Our students, staff and several community members donated, which helped us to adopt 20 families for the holidays.
- Dansville students in grades 7-12 participated in Aggie Virtual Game Night. Our Aggies had a chance to play video games against teachers and watch “The Grinch Who Stole Christmas” via Zoom with a group of friends.
- Dansville students in grades 6-12 had an opportunity to send a “candygram” to other Aggies. Personal messages were attached to a candy cane and delivered to the front porch of students. We would like to thank the members of our PALS and National Honor Society for delivering over 400 candy canes.
- The National Honor Society is partnering with the American Red Cross to host our first Blood Drive of the year on December 17.
