

## High School Board Report May 2026

**Band:** The High School Band had an amazing time on the band trip to Chicago! Everything went smoothly and the students got to experience the best Chicago has to offer. The highlight moments of the trip: our visit to Shedd Aquarium, the Chicago Symphony Orchestra concert where they performed Tchaikovsky Symphony No. 5, the boat architecture tour down the Chicago River, and the clinic at UIC with Dr. Serena Weren- Director of Bands. The students learned so much and are so grateful to the school board and our district administration for supporting them in taking this wonderful opportunity for travel and growth. We can't wait to start planning our next adventure!

Next performance up for us after High School Graduation on the 17th is the Memorial Day Parade on Monday, May 25. Parade step off is at noon and we hope to see everyone there!

**Community Day:** Community Day was a huge success! We had nothing but positive comments and feedback on all of the projects our students completed. The scrap metal drive was a huge success this year. We filled 2 huge dumpsters again and said goodbye to the old Baseball Scoreboard.

Check out [the video](#) that was filmed and put together by students!

**Prom:** Prom 2026 was wonderful! Eagle Eye was the perfect venue it was a beautiful evening full of fun! It was a great way to send off the Class of 2026!

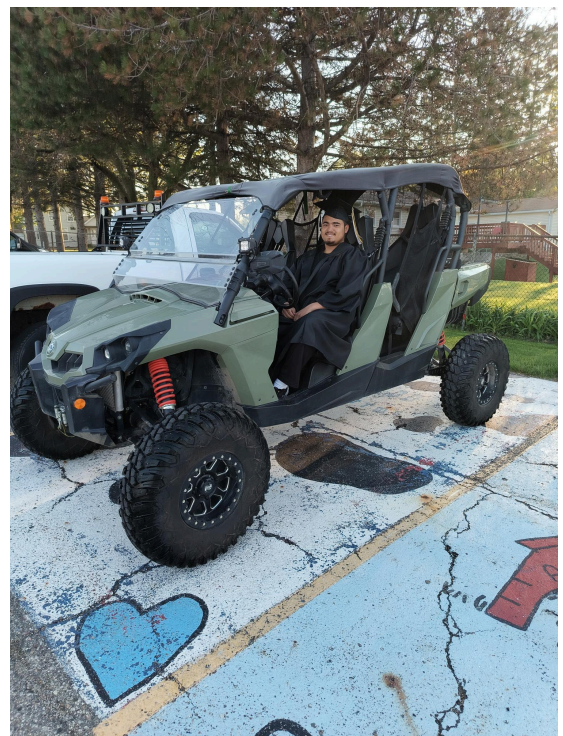

**Murphy Award:** Riley Graf was this year's last Murphy Award winner. He was recognized at their last breakfast celebration of the year. We're sad to see him go, but excited to watch him succeed in his next chapter.

**Class of 2026:** We celebrated with the Class of 2026 as they shared their future plans on Decision Day and had some fun giveaways to send them off.

Then we started their last day with some fun in the parking lot and ended with a beautiful ceremony at the end of the day as we paraded the seniors through the halls one last time. It was a bittersweet day, but a great way to send them off.

**Senior “Skip” Trip:** We traveled to Cedar Point with a group of 29 Seniors to celebrate their years here at Dansville and to reward them for not participating in the “Skip Day” tradition of missing school. It was a GREAT time!

**Senior Night:** Senior Night was great fun! Congratulations to those who earned awards and were awarded scholarships. Special thanks to Mrs. Kadluboski, to CleanTeam, and the HS office team. We really enjoyed celebrating the academic success of the Class of 2026!
