High School Board Report

April 2025

1. Save the Date!!! We'd love to have you join us for our Senior Night, where we will celebrate, award, and look back on the Class of 2025 and their journey to graduation!

2. Spring Testing is COMPLETE!!! This year's Spring Testing sessions have been completed! Our Junior class had 100% participation and students are quite eager to get their scores. Mrs. Lloyd did a great job organizing and making sure the students had the best experience possible.

3. CMAC Senior Scholar Athletes: We celebrated 9 of our Senior Athletes at this year's CMAC Scholar-Athlete Banquet. CMAC student-athletes have earned at least one varsity letter in two different sports (one having been earned during their senior year) and have maintained a 3.4 grade point average.

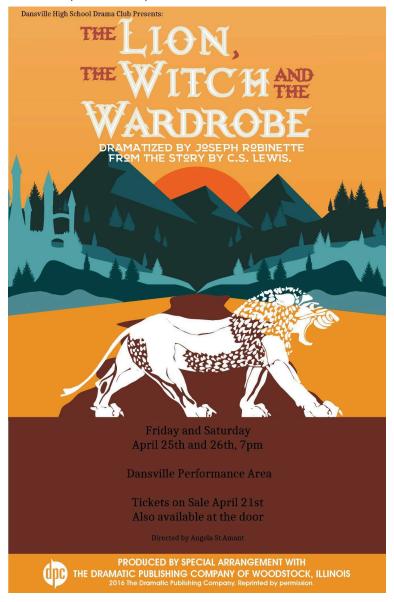

4. eSports: The Aggie High School Esports Team wrapped up their 5th season of play in the MHSEL (Michigan High School Esports League) and second in the MiHSEF (Michigan High School Esports Federation). We had teams competing in 3 different titles - Super Smash Bros Ultimate, Mario Kart 8 Deluxe, and Madden 25. We made the State Championships (Top 24) in Super Smash Brothers Ultimate in MiHSEF and Playoffs in Madden. In addition, we have at least one graduating senior who will be returning in the fall to help coach the program!

We also have started a Middle School program! We have 6 students participating in Mario Kart. They will wrap up their inaugural season on May 14. We have had an incredible time, and we're looking forward to expanding in the fall!

Big thank-you to Jonathan Green (coach/tech wizard), staff, administrators, board members, DSEF, Dansville Boosters, the Dansville community, and the Dansville students.

We will keep growing and keep you posted! Thanks!

5. Dansville High School Drama Club Presents... Drama put on two great performances this last weekend of the Lion, The Witch, and the Wardrobe!

- **6. Upcoming:** Please mark your calendars for some other upcoming events.
 - a. Passion Project Showcase-

PASSION PROJECT SHOWCASE
