

Dansville Middle School Board Updates

February 2026

- The Dansville Middle School FFA had a large team of students participating in the District and Regional Leadership Contests. Finn Davis placed second in Junior High Public Speaking and will move on to the State Semifinals. James Sheridan was the Regional Champion Creed Speaker and will represent Dansville at the State FFA Convention. We are proud of everyone's accomplishments!
- Our DMS Science Olympiad team participated in the University of Michigan Science Olympiad Invitational. Their next event is the Regional Science Olympiad competition at Holt.
- We are continuing to recognize students with Aggie Shout-Outs. This month's theme was focused on growth in English Language Arts.
- The middle school students enjoyed participating in the Winter Spirit Week for homecoming, which ended with an assembly and various fun games.
