

High School Board Report

August 2024

- We had several camps take place over the summer. Basketball, Volleyball, and Football all hosted camp and welcomed a great number of younger students, getting them excited to compete as an Aggie someday when they get to high school.

- The Dansville High School Marching Band held its pre-season band camp in July. The students spent time team-building as well as learning their music and marching maneuvers for this year's halftime show. They fought the heat with a little help from the Ingham Fire Department.

- The building received some updates you may or may not notice. Our new cameras have been installed and are working great. We're also enjoying the paint designs on the Senior Parking spots this year, very creative!
- We kicked off the year with another electric staff introduction, with fog, and lights, and lots of fun! The students spent the day team building, orienting, and having some fun with their Dorms, and at the end of the day, the Junior Dorm took the top spot.
- Seniors are painting their parking spots and there are some really creative and artistic spots out there.
- Our cross country, football, soccer, and volleyball teams are hard at work. Practicing, scrimmaging, and some competing. Be sure to keep updated through our Athletics pages.
