2. **Spring Testing is COMPLETE!!!** This year's Spring Testing sessions have been completed! Our Junior class had 100% participation, and students are quite eager to get their scores. Mrs. Lloyd did a great job organizing and making sure the students had the best experience possible.

3. **CMAC Senior Scholar Athletes:** We celebrated 10 of our Senior Athletes at this year's CMAC Scholar-Athlete Banquet. CMAC student-athletes have earned at least one varsity letter in two different sports (one having been earned during their senior year) and have maintained a 3.4 grade point average.

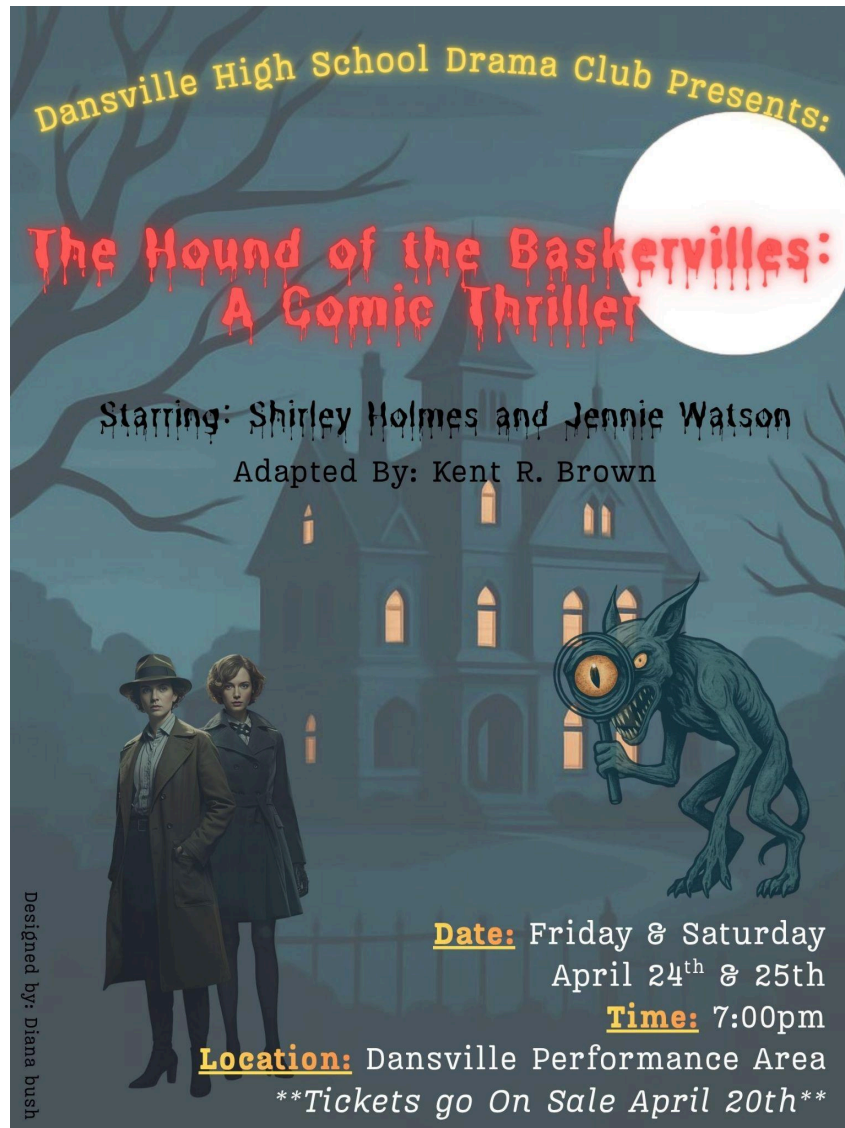

- eSports:** This spring, the Aggie High School Esports Team wrapped up their 7th season of play in the MHSEL (Michigan High School Esports League). We had one team competing in Mario Kart 8 Deluxe and with a 5-2 record, we made the playoffs! We finished the year ranked #26 out of 81 teams. In addition, one student played in a solo tournament for Super Smash Bros, finishing with a record of 1-2.

While our high school numbers were down, our middle school program took off! We had just about 20 students who participated in at least 1 match this year. There were two teams for Mario Kart and two teams for Super Smash Bros. Both Smash Bros teams made playoffs, and lost in the first round, and our #5 ranked Mario Kart team fell in the Elite 8 of the playoffs, just missing out on an in-person bid for the semi-finals.

Big thank-you to Jonathan Green (coach/tech wizard), Mrs. Morgan (MS Coach), staff, administrators, board members, DSEF, Dansville Boosters, the Dansville community, and the Dansville students.

We can't wait to see where we go next!

5. **Dansville High School Drama Club Presents...** Drama put on two great performances this last weekend of *The Hound of the Baskervilles: A Comic Thriller*!

6. **Spring Murphy Award:** Our Spring Murphy Award nominee was Riley Graf. Riley exemplifies the pillars of the Murphy Award. Congrats Riley!
