

High School Board Report

September 2024

- **Float Build Day:** This year's third annual float build day was a huge success! Each class worked to entertain with the Pixar theme. The students really showed up and the generosity of our community shined. Special thanks to DCAA for their generous donation of lunch (Marcos), it was thoroughly enjoyed! Shout-out to Metter Construction and Skouby Construction for their provision of materials.

- **Homecoming events:** HoCo Week 2024 was a blast. The energy was high, spirit overflowed, and we all had a great time. The Spirit Days did not disappoint this year. Everyone was comfy on PJ Day Monday. Teachers and students swapped style on Tuesday, hilarious. Wednesday was an ode to Adam Sandler, enjoyed by both staff and students. We threw it back on Thursday and rocked out the Spirit on Friday. PowderPuff was held this week as well, Juniors took the top spot! We also had some lunchtime fun with a Dodgeball tournament, some karaoke, a bit of trivia and an eating contest!

- **Pep Assembly:** The Pep Assembly was electric! We celebrated the successes of all of our teams and recognized the accomplishments they've already made. The Elementary and Middle School joined us so this was a district-wide celebration. It was great to see students and teachers k-12 come together for some bonding and fun!

- **Aggie Night:** This year we plan to honor students for their academic accomplishments last year as well as inducting the new members of NHS. We will also walk with the Class of 2028 in their Commitment to Graduate ceremony. We hope you're able to join us for this event.

AGGIE NIGHT

SAVE THE
DATE!!!

Thursday, September 26th

6:30 PM to 8:00 PM
High School Gym

Commitment to Graduate- Class of 2028

NHS Induction- Members

3.5 or Higher Awards- Students from the
