

High School Board Report

January 2025

1. Drama Club: Little play- *Big Bad*

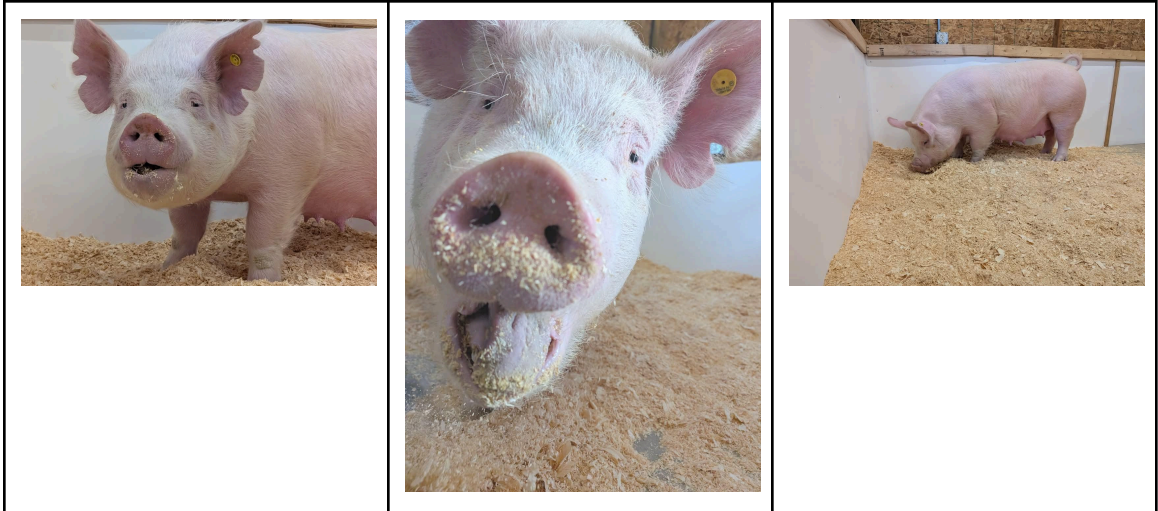

Our high school students put on 3 wonderful shows for the elementary, middle and high schools. They showed us the story of the class-action lawsuit filed against the most notorious criminal in the fairy-tale world, Big Bad Wolf. The legal teams made up of the two greatest legal minds in the Enchanted Forest — the Evil Stepmother and the Fairy Godmother — clashed in a trial that will be remembered forever after. Little Red Riding Hood, her Grandmother, the Three Little Pigs and the Shepherd in charge of the Boy Who Cried Wolf testified, and Judge Wise old Man asked our audience to determine the fate of Big B. Wolf! Dansville Drama Club 3 hilarious performances of “Big Bad” on Friday, January 10th! Bravo!

2. **Winter HoCo-** This week we're excited to have some fun and stir up some spirit for Winter Homecoming Week! We've got lunch competitions, a half-day of festivities, and our Friday pep assembly to look forward to! We're also excited to have all three basketball teams competing, at home, to end the week. We plan to go a little less formal with the dance after the game, which will include games, food, and music.
3. **FFA-** Students are now getting prepared for District Leadership Contests at the end of January, where we have students competing in Public Speaking, Demonstration, Conduct of Meetings and Job Interview. Students are also preparing for maple syrup season, so make sure to stop out at the agriscience barn if you see steam from our evaporator!

We also welcomed Penelope, our first sow to the barn! The students will be farrowing her and her piglets will go on to be fair projects in the summer. Stop by to see her sometime!

4. **eSports:** The DHS Esports Program had a great Fall 2024 Season! The program had teams in two leagues in Michigan and had success in both. The Super Smash Bros. Ultimate team made top 32 in MiHSEF State Championships and top 32 in MHSEL Playoffs. The Mario Kart team had a great season and had great participation.

We're gearing up for the Spring 2025 season, looking to expand our teams and seek success once again!

In exciting news, we are also getting set to launch a Middle School program for the Spring 2025 season! We are looking to run one Mario Kart team for the spring and expand next year.
