

## High School Board Report

March 2026

1. **Syrup on Tap:** Mr. Sheridan and his classes tapped trees, hauled sap, and boiled the syrup. After filtering and bottling, it will be ready for sale! Be on the lookout so you don't miss out on getting yourself some.
2. **Spanish II Lunch:** Our long-term sub, Señor Sombrero, organized a field trip for our Spanish II students to have lunch at Los Tres Amigos in Mason. They had to order and converse with the wait staff in Spanish and they all did a really nice job!

3. **SAT Prep Continues:** Our Khan competitions continue as students practice skills related to the Digital SAT. Mr. Braman is running SAT prep time on Fridays, and we have plans for some competitions on the upcoming half-day.
4. **FFA State Convention:** Dansville had another great day at the 98th Michigan FFA Convention! We had two of our Junior High members compete in contests, with Finn Davis finishing 4th in the Junior High Public Speaking Contest and James Sheridan finishing 2nd in the Creed Speaking Contest!

Nathan Sherwood also received his Silver State Degree, meaning he had one of the 50 best Supervised Agriculture Experiences in the state this year.

Kaelee Foreman received her award for Greenhand Public Speaking. Kinley Sheridan and Emma Marshall served as our chapter's delegates who elected next year's state FFA officers.

We had a great group of kids that got to watch state-level contests, have lunch in an MSU cafeteria, and watch the first session of the 98th Michigan State FFA Convention.

Kaelee also participated as an FFA talent and did an amazing job singing and playing guitar before the second session.
