

Dansville Middle School Board Updates

June 2023

- Our 8th grade students visited the Wilson Talent Center to tour and learn more about the various programs offered. Dansville students have an opportunity to enroll in the Wilson Talent Center during 11th and 12th grades.
- DMS students participated in the annual Field Day during the last week of school. Students rotated through various stations to play games, and they had a chance to visit the Kona Ice truck.
- We celebrated our 8th grade students with an awards ceremony and ice cream social. The event was well attended, and each student was recognized with a certificate for completing nine years of school.
- The last day of school included a final House activity, an awards assembly, and the 8th grade clap out as they moved to DHS. We will miss the Class of 2027!
- The district has adopted this definition from the Olweus Bullying Prevention Program to use when handling student conflict: “Bullying is when someone repeatedly and on purpose says or does mean or hurtful things to another person who as a hard time defending himself or herself. The three key components of bullying behavior are: (1) Involves an imbalance of power and strength; (2) Involves a pattern of behavior over time; and (3) Involves an aggressive behavior.”
There were two instances of bullying at Dansville Middle School during the 2022-2023 school year.
