

Dansville Middle School Board Updates

June 2024

- Our 8th grade students visited the Wilson Talent Center to learn more about the various programs offered to students in the 11th and 12th grade.
- DMS students participated in the annual Field Day during the last week of school. Students rotated through various stations to play games, and they had a chance to visit the Kona Ice truck.
- The last day of school included a final House activity, an assembly, and the 8th grade clap out as they moved to Dansville High School. Good luck to the Class of 2028!
- The district has adopted this definition from the Olweus Bullying Prevention Program to use when handling student conflict: “Bullying is when someone repeatedly and on purpose says or does mean or hurtful things to another person who as a hard time defending himself or herself. The three key components of bullying behavior are: (1) Involves an imbalance of power and strength; (2) Involves a pattern of behavior over time; and (3) Involves an aggressive behavior.”
There were four instances of bullying at Dansville Middle School during the 2023-2024 school year.
