

Dansville Middle School Board Updates

September 2023

- The DMS after school tutoring program started this month and is offered on Tuesdays, Wednesdays, and Thursdays each week. Teachers are available to help students with work from 3-4 PM on these days, and students can get free bussing on Tuesdays and Thursdays.
- Our students enjoyed participating in spirit days for the 2023 Homecoming. Each day had a different theme where students could have fun by dressing up in creative attire. The house with the most participation each day earned points for the team.
- “Kindness Matters” is this year’s theme, and we are recognizing students who do random acts of kindness. Students earn a “shout-out” on the announcements and points for their house when they are seen doing something kind for others.
- The DMS Student Council has started the year strong with 60 middle school members. The group has regular meetings during lunch to plan activities and events.
