

High School Board Report

November 2024

1. **FFA National Convention:** Mr. Sheridan and four of our FFA officers traveled to the National Convention in Indianapolis to join the nearly 1 Million members of FFA across the country. They learned some great stuff, did a lot of networking, and had a lot of fun.

2. **Broiler Contest:** Mr. Sheridan and our Animal Science students put their best birds forward for this year's broiler contest. It was great watching them care for their birds and present them for judging at Munsell's.

3. **Veterans Assembly:** Once again, Mrs. Braman's classes presented a very moving display for this year's Veterans Day War Fair and Assembly. The War Fair was informative and engaging for the middle school students and the assembly was filled with great reminders to keep our veterans on our minds and in our hearts for the sacrifices they have made for our freedom.

4. **Murphy Award:** Senior Carter Tkaczyk was nominated by our staff as this year's first Murphy Award Recipient. The Murphy Award is given to students who exemplify service, leadership, and academics, and Carter checks those boxes. Whether rallying the students against Mr. Brusseau for the can drive, or putting in the work to make eSports happen, Carter deserved this award.

5. **Aspire Grant:** We continue to expand on our Colleg & Career programming to help students broaden their post-secondary scope. Our team sent 3 members to the MCAN Conference this month and they came back with some great ideas. Our students are also getting back into college/trade programs that they can choose to attend after high school. Our Sophomore class attended LCC West and Wilson Talent Center to view some of the programs they offer while seeing the campus and experiencing a different style of education.
6. **Athletics Signings:** A few of our Aggies have decided to continue their athletic careers at the college level. We continue to have signings to celebrate their hard work and encourage them as they take the next steps in their journey. Wyatt Mosley signed to play baseball with Division 1, West Virginia and Faith Caroen is signing with Jackson College.
