

High School Board Report

May 2024

Band Trip & Concert: The Dansville High School Symphonic Band had a fantastic time on our overnight trip to the U.S.S. Edson Naval Ship Museum in Bay City on May 13-14. We were given a personal tour of the ship, had the opportunity to perform a concert on deck, spent the night on board, and then finished up with a quick trip to Central Michigan University for a walking tour and lunch. The students had a blast, learned a lot and can't wait for another trip now that the first one was such a success!

At our Spring Concert, we also gave out some Senior Band awards including the MSBOA High School Scholar Instrumentalist Award which went to Halle Service; the John Phillip Sousa Band Award which went to Karlie Troia; and the Louis Armstrong Jazz Award which was awarded to Abby Flynn. We also honored our 8 graduating Seniors with the Dansville Band Award, our annual plaque earned from 4 years of service to the high school band.

Community Day: Community Day was a huge success! We had nothing but positive comments and feedback on all of the projects our students completed. The scrap metal drive was a huge success this year. We filled 3 huge dumpsters and raised just over \$1,400 for the Many Hands account.

Check out [the video](#) that was filmed and put together by students!

Prom: Prom 2024 was wonderful! The Michigan Princess Riverboat was a beautiful venue and it was a night filled with dancing, some sweet treats, and a lot of fun!

Decision Day: Mrs. Lloyd did not disappoint again this year! Decision Day was marvelous with lots of giveaways, a delicious ice cream bar, and celebrations of each of our seniors as they shared their plans for the future.

Murphy Award: Halle Service was this year's last Murphy Award winner. She was recognized at their last breakfast celebration of the year. We're sad to see her go, but excited to watch her succeed in the next journey.

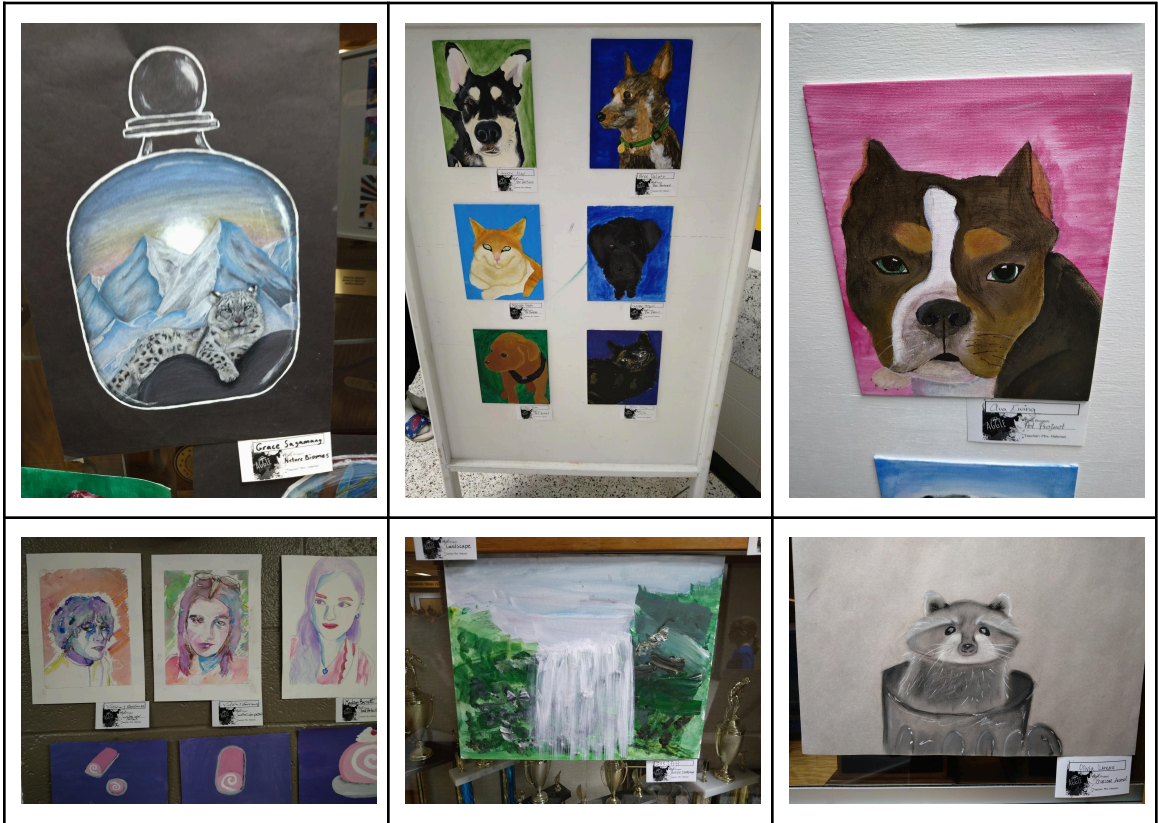

Last Day for the Class of 2024 & their Farewell Walk: We started the day with some yard games in the parking lot and ended with a beautiful ceremony at the end of the day on Friday as we paraded the seniors through the halls one last time. It was a bittersweet day, but a great way to send them off.

Art Night: The 2024 Art Night did not disappoint! Jazz band, live painting, and all kinds of amazing art from our K-12 students.

Senior “Skip” Trip: We traveled to Cedar Point with a group of 38 Seniors to celebrate their years here at Dansville and to reward them for not participating in the “Skip Day” tradition of missing school. It was a GREAT time! I felt like a kid again!

Senior Night: Senior Night was great fun! Congratulations to those who earned awards and were awarded scholarships. Food service did a great job with the snacks and our table setup was beautiful thanks to CleanTeam and the HS office team. We really enjoyed celebrating the academic success of the Class of 2024!
