2. **Spring Testing is COMPLETE!!!** This year's Digital PSAT/SAT had solid reviews from students and the overall feeling was that this format was preferred to paper/pencil testing. Mrs. Lloyd did a great job organizing and making sure the students had the best experience possible.

3. **CMAC Senior Scholar Athletes:** We celebrated 10 of our Senior Athletes at this year's CMAC Scholar-Athlete Banquet. CMAC student-athletes have earned at least one varsity letter in two different sports (one having been earned during their senior year) and have maintained a 3.4 grade point average.

- eSports:** The Aggie Esports Team just wrapped up their 3<sup>rd</sup> season of play in the MHSEL (Michigan High School Esports League). We had 4 teams competing in 3 titles - Super Smash Bros Ultimate, Mario Kart 8 Deluxe, and Rocket League. In total, 14 students competed in at least one match and several students also helped out designed social media overlays and with setting up our weekly online streaming (new this season!). Our Aggie Open House went incredibly well, with a lot of students, parents, and the general public stopping by to ask questions and see what we do!

We didn't have anyone make the playoffs this season, but 3 teams were one win away from a spot.

Competing teams and their records:

(SSBU) Aggie Brawl - 3-4

(SSBU) Aggie Melee - 0-7

(Mario Kart) Aggie Hot Wheels - 3-4

(Rocket League) Aggie Aerials - 3-4

Future plans - Middle School Esports (coming Fall 2024!), play in additional league (Fall 2024), improved online streaming, open houses both fall and spring, elementary showcase (Spring 2025), Unified team(s) (2025-26 school year).

Big thank-you to Jonathan Green (coach/tech wizard), staff, administrators, board members, DSEF, the Dansville community, and the Dansville students.

We're looking forward to growing the program even bigger in the future!

5. **Upcoming:** Please mark your calendars for some other upcoming events.

- b. **Dansville High School Drama Club Presents:** Friday, May 26th & Saturday, May 27th.

*The Play That Goes Wrong* begins before the curtain has even been raised, as the audience is present while the Cornley Polytechnic Drama Society prepares to stage their new production – the 1920s murder mystery 'Murder at Haversham Manor'. However, the set is not yet complete and there is no time to finish it off.....the show must go on!

With a murder (and a moving corpse) established from the beginning, the murder mystery gets into full flow. However, the props start to disappear, actors go missing and the set begins to collapse around, and often on, the cast. Mayhem ensues, the acting gets worse, and the set becomes increasingly dangerous, but the company struggles on regardless. The question is whether any of the cast and crew will remain standing, or conscious, by the final curtain?!
