

High School Board Report

1. **Class of 2023 Graduation:** It was a true pleasure to be a part of this year's celebration of the Class of 2023! They started their high school career during a pandemic and, in true Aggie fashion, still managed to excel!

2. **Advanced Placement Classes:** Several high school students took their Advanced Placement exams for various AP classes offered at Dansville High School. This test provides data and feedback for the teachers, and it provides students an opportunity to earn college credit.
3. **Credit Recovery:** A few high school students are working in summer school to recover credits toward graduation. Several have already finished and a few more should be done by the end of the month. High school students will have an opportunity to work with a teacher in each subject area throughout the summer.
4. **Bullying 2023:** The district has adopted this definition from the Olweus Bullying Prevention Program to use when handling student conflict:
“Bullying is when someone repeatedly and on purpose says or does mean or hurtful things to another person who as a hard time defending himself or herself. The three key components of bullying behavior are: (1) Involves an imbalance of power and strength; (2) Involves a pattern of behavior over time; and (3) Involves an aggressive behavior.”
