January 14th, 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2023-24 educational progress for Dansville High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Josh Andrews for assistance.

The AER is available for you to review electronically by visiting the following [website \(click here\)](#) or you may review a copy in the High School office.

For the 2023-24 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Dansville High School has not been given a label.

Dansville High School continues to focus instruction on meeting the needs of all students, with the end goal of proficiency for all students. We are using a Multi-Tiered System of Support (MTSS) in order to provide both quality instruction and interventions for struggling students. We are focusing on student engagement strategies, curricular alignment, and interventions such as SpringMath to help close the achievement gap.

Professional development for the teaching staff at Dansville High School is driven by the school improvement plan. We continue to focus on literacy, math, science, social studies and creating a culture of career and college readiness with an MTSS approach. The School Improvement Plan is available in detail through the state's website at www.michigan.gov.

State law requires that we also report additional information.

1. Dansville High School is the only building in the district where students in grades 9-12 attend.
2. Our teachers are focused on providing individualized instruction to meet the needs of all students, with the goal of proficiency for all students. We are continuing implementation of Multi-Tiered Systems of Support (MTSS) while focusing on improvement in math, reading, and writing. Our School Improvement Plan also encompasses work in the areas of creating a culture of college and career readiness, as well as teaching students personal growth skills using the 7 Mindsets and research of Angela Duckworth. We also continue to improve our practices to reflect the best practices in the field.
3. Dansville Schools does not have any specialized schools.
4. At Dansville High School, the core curriculum is aligned with the Michigan Merit Curriculum. The curriculum framework does not vary from the State's model. Parents can request a copy of the curriculum guides in the middle school office. The content expectations are also available at www.michigan.gov.
5. During the 2022-23 School Year, 125 of 240 (52%) of our students were represented at Parent-Teacher Conferences. During the 2023-24 School Year, 125 of 230 (54%) of our students were represented by parents at Parent-Teacher Conferences.
6. During the 2022-23 School Year, Dansville High School had 38 of 238 (16%) of our students Dual Enrolled. During the 2023-24 School Year, Dansville High School had 28 of 230 (12%) of our students Dual Enrolled.
7. During the 2022-23 School Year, Dansville High School offered one Advanced Placement (AP) courses and 13 of our students (5%) were enrolled. Of these 13 students, 8% received a score of 5. During the 2023-24 School Year, Dansville High School offered two Advanced Placement (AP) courses, and 36 of our students (16%) were enrolled. Of these 36 students, 8% received a score of 5. 21 students (58%) received a score of 3 or higher.

Dansville High School is pleased to continue its tradition of quality educators, a challenging curriculum, and outstanding parent involvement. This AER reflects the combined efforts of the staff, parents, and community. All of our stakeholders should be proud of our school's achievements, yet continue to look towards future growth.

Sincerely,

A handwritten signature in black ink, appearing to read "Josh Andrews", written in a cursive style.

Josh Andrews
