STATEMENT FROM MIKE KAPP, BOARD PRESIDENT

“The board’s action tonight brings the 2016 Bond Project to a close. With this action we have avoided the risk of costly litigation, received a substantial settlement, and completed a highly functional education facility in which our teachers can be their best and students have the best opportunity to learn and grow. We would like to thank the administration and staff for their support and patience as we worked to complete the final pieces of the project. Special acknowledgement has to go to former Superintendent Amy Hodgson about whom it is an understatement to say she managed amidst chaos and delivered the project while maintaining our usual high educational standards with help from the ISD. We are also deeply indebted to the Dansville community—who, like your board, are highly pragmatic, but were willing to sacrifice when it made sense to do so for the kids. Students are the clear winners here as they continue on the path to becoming world-changing members of the Aggie Family.”

The meeting was adjourned at 7:27 p.m.

Respectfully submitted,

Candy Sherwood, Board Secretary
