Presenting the Class of 2025!

On Sunday, May 18, 2025, Dansville Schools honored the graduating class of 2025 for their hard work and dedication over the past 13 years.

This year's valedictorians were Alaina Broyles, Hannah Burnham, Faith Caroen, Theodore Davis, Jessika Ivy and Carter Tkaczyk. Cole Hagelberger was salutatorian.

We want to thank our graduates for the contributions they made to Dansville Schools. They excelled in the classroom, in many co-curricular activities and in athletics. **We are very proud of these Aggie Achievers** and cannot wait to continue watching them grow as world-changing members of the Aggie Family!

Aggie Tradition: Seniors drive tractors to school on their last day.

AGGIE FAMILIES,

As we close out another successful school year, we want to take a moment to thank you for your continued support, partnership, and trust. Together, we've created a learning environment where students grow not only academically, but also as compassionate, confident individuals. **Our success as a district is rooted in the strength of this community**—and for that, we are truly grateful.

One of our proudest accomplishments this year has been deepening cross-age relationships between our secondary and elementary students. In a small district like ours, these opportunities are one of the greatest advantages we can offer. Whether it's through mentoring, shared events, or leadership roles, we've seen the joy and learning that comes when older and younger students connect and grow together.

This year, **our staff also began meaningful reflection on our current grading and instructional practices.** We are committed to delivering the highest quality instruction and ensuring that our students not only learn but truly master essential concepts. As a result, you may notice some gradual changes in the coming years as we refine our practices to better serve all learners.

Looking ahead, we're excited to announce that we will be implementing a new math curriculum—enVision Mathematics—at all grade levels next fall. **After thoughtful review and exploration, we believe this program will provide the rigor, consistency, and support our students need to excel in math.** Additionally, recognizing the growing social-emotional needs of our students, we are working to add student support services at the secondary level to create a safe, respectful, and responsive environment where all students can thrive.

Thank you for another wonderful year. It is a privilege to serve the students and families of Dansville, and we look forward to all that lies ahead.

Warmly,

Jennifer Wonnell, Superintendent

Elementary School Celebrations

Community Day was a huge success across the district! Elementary students worked with their middle school buddies to complete community service projects including making birthday kits, personal care kits for local homeless shelters, cleaning buses, and picking up around the school.

Fifth grade graduation was on Wednesday, May 21. **Field Day** was Monday, May 19. Thank you to the Kindergarten team as they presented a fantastic **Mothers' Day Tea** event that was very well attended. Fourth graders enjoyed their annual **Mackinaw Trip** on May 15 and 16!

Congratulations to our newly-tenured teachers!

*Bottom Row: Amanda Bush,
Charlotte Birmingham and Amy Convey*

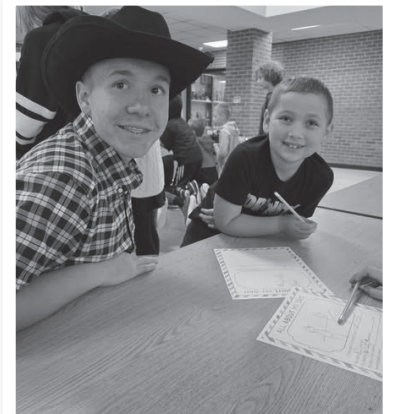

Middle School Celebrations

During our annual **Community Day**, our students worked with the elementary Aggies on various projects. Some projects included creating dog toys, planting flowers, and assembling personal care packages for those in need.

The **DMS Student Council members sponsored the last dance of the year.** Any student who participated in Student Council during the 2024-2025 school year is invited to bring a friend on a fun trip to Michigan Adventure during the last week of May.

The 6th, 7th, and 8th grade bands performed their spring concert. Many family and community members attended. Several middle school students participated in the annual "Puttin' On The Hits" talent show. This was a fun event that everyone enjoyed. **The 8th Grade Ceremony was on May 20.**

Host Families Needed

DHS is always interested in bringing students from different cultures together to learn and build lifelong memories.

This year we had the pleasure of having four guest students join us. They have become a part of the Aggie Family! We'd like to thank Helena Moral-Quesada, Greta Morri, August Muhs and Sara Quagliato for their contribution to our Aggie Family this year.

The Council for International Exchange continues to look for families to host students in Dansville. Host families do not need to have kids in the district; they only need to be willing to open their home to a student. If you are interested in hosting or have questions, please email Pam Williams—teacherpam1@gmail.com for more information.

Free and Reduced Lunch Applications

Free and Reduced Lunch Applications can be filled out online on the Dansville Schools' website. Any personal information you provide will not be shared.

- Only one application needs to be filled out per family. You are able to fill out an application anytime during the year if your financial status or number of family members changes.
- This process is fast, simple and confidential.
- The district receives funding based on the number of students that receive free and/or reduced meals.
- Free and reduced price meal applications are confidential. Your information will only be used to determine your child's eligibility for the school meal programs. We cannot share your information without your written permission.
- Students who receive free and reduced price meals are not identified. No other students, staff or teachers know who is receiving free or reduced meals.
- If your child qualifies for free or reduced price lunches, he or she qualifies for free or reduced price breakfast at school as well. We hope your child will take advantage of eating healthy meals at school.
- Your child may receive other school benefits. The number of applications that are returned and approved can affect how much funding our school gets to help students meet academic benchmarks, including materials like books and computers.
- Please take a few minutes to fill out this form so that your child may qualify for these important benefits.

If you have any questions regarding this process please call Missy Kadluboski, Dansville Schools Food Service Director, at 623-6120 ext. 4337

Dansville Schools, located at 1264 Adams Street, Dansville, Michigan, receives and uses Federal funds and United States Department of Agriculture donated foods.
