

## Dansville High School Board Update

February 2022

- Dansville High School senior Hugh Service earned the Narda Murphy Excellence Award from the Williamston Sunrise Rotary Club. Dansville teachers nominated Hugh for this special recognition because of his leadership, service to others, and academic achievements.
- Dansville High School teachers have been nominating students for an Aggie Kindness Award. Freshman Jessika Ivy, sophomore Logan Root, and sophomore Emily Tringal were selected because they go out of their way to do the little things that make our school a great place. From encouraging others, to going out of their way to say friendly and kind words, we appreciate their positivity and kindness.
- The Dansville FFA had an excellent showing at the District Contest. The Ag Issues team did a great job against tough competition and earned a Silver award. Bailey Lytle earned a Gold award with his Public Speech. We have two groups moving to Regionals: Jenna Schild (Speech); Shayann Tonti and Lexi Ganzhorn (Demonstration).
- Members of the Dansville High School Band performed at the District MSBOA 8 Solo and Ensemble Festival. All of the events received wonderful feedback from the adjudicators, and sophomore Halle Service, senior Katelynn Karkau, and senior Hugh Service qualified for the State Solo and Ensemble Festival.
- Dansville High School's Science Olympiad team competed against more than 40 other teams at the Haslett High School Invitational. Congratulations to freshman Carter Tkaczyk and sophomore Karlie Troia for winning 5<sup>th</sup> place in the Bridge competition.
