Subject: District Back-to-School Updates

Good Afternoon, Aggies!

We are so excited to kick off our 2020-21 Back to School Events for our Aggie Family! We have spent much of our time over the past few weeks personally speaking to many of our families and these conversations have been very important to us, but we also want to get out more information to the entire district to try to keep everyone on the same page. We have been in close contact with our local health department and are encouraged by our local data as well as their input about the return to school as we continue to move closer to our starting date.

Online Learning: For those of you who have students in Grades BK-6 who have chosen to learn online first semester or have students in Grades 7-12, we welcome you to our newly named **Aggie Tech Academy** ☺ We will address some of the questions related to this experience in this email, but please know that our teachers are hard at work and even more information will be shared in the days ahead.

2020-21 School Year Administrative Shift: Our middle school principal, Erin Graf, will be serving as the principal for Grades 5-8, as our fifth grade class is moving into the middle school building this year.

Please read through each of these informational items:

*Our school year for **ALL AGGIES** will begin as scheduled as a half day on Tuesday, August 18th with dismissal at 11:30 AM.

*By the end of the day today, you will be receiving an email from your building principal outlining the details re: Registration Day and other back to school details. **Please be on the lookout for this very important communication.**

More info is provided here: CURRENT INFO FOR THE AGGIE FAMILY 8.7.2020.docx

WAYS TO HELP: Several of you have reached out asking what you can donate or help our school during this time. Here are two ways you could help:

1. We would greatly benefit from donations of the following to be used by the school and/or to be shared with families in need:

   boxes of tissues, disinfecting wipes, hand sanitizer, child/adult sized masks, home thermometers

   Please call and make arrangements for drop off with any of the building office managers if you are interested in donating any of these items.

2. We would also very much appreciate any donations to the Many Hands account so we are able to provide supplemental food supplies to families in need.

Thank you for your partnership as we launch this new year in this brand new learning landscape! We are very thankful for the commitment each of you have made to our Aggie Family and we, in turn, are committed to doing everything we can to meet the needs of your students throughout this school year.

Please call or email your student's building principal (see contact info below) or reach out to me directly (hodgson@dansville.org) at any time if you have further questions or concerns.

Stay Safe, Aggies!

Amy Hodgson

Building Principal Contact Info:

K-4th grades: Andy Cox (coxa@dansville.org)

5th-8th grades: Erin Graf (grafe@dansville.org)

9th-12thgrades: Tania Dupuis (dupuist@dansville.org)

Dansville Schools would like to continue connecting with you via email. If you prefer to be removed from our list, please contact Dansville Schools directly. To stop receiving all email messages distributed through our SchoolMessenger service, follow this link and confirm: Unsubscribe

SchoolMessenger is a notification service used by the nation's leading school systems to connect with parents, students and staff through voice, SMS text, email, and social media.
