

Dansville Middle School Board Updates

November 2025

- The middle school students participated in fun activities during our October half-day, including a costume contest and making Halloween slime. The morning ended with a door decorating contest and an assembly with group games.
- Our 7th and 8th grade band students presented a fantastic Fall Concert. The group also went on an after school field trip to watch the Michigan State University Spartan Marching Band practice.
- Our students had an opportunity to learn more about Veterans Day by attending a War Fair and assembly organized by students in Mrs. Braman's high school English Language Arts class. Our students are fortunate to take part in this special annual event honoring Veterans.
