

High School Board Report

October 2025

- **Homecoming 2025!!!:** We traveled “Under the Sea” this year for Homecoming! We started the week on Saturday with our Float Build Day, had a week full of Spirit, competitions, a lot of FUN, Ag Olympics, and ended the week celebrating our HoCo Royalty and cutting a rug at the dance!

- **Aggie Night:** We celebrated several groups of students at our annual Aggie Night program. The Class of 2029 committed to graduate and it's always fun to hear about their current, future plans. We honored 72 students for their academic achievements from last school year, and ended the evening by inducting our new members into NHS.

- **PSAT/NMSQT testing:** 16 students took the PSAT/NMSQT test to both prepare and practice for the upcoming SAT test. We're excited to see how they scored.
- **College Application Week:** Mrs. Lloyd and Ms. Reinke walked all of our seniors through the college application process and helped them get one step closer to their post-secondary goals! They had donuts, cider, and a coffee bar for some extra motivation!!!
- **Lunch Visits:** We've had a steady stream of post-secondary programs visiting the students at lunch, answering questions and talking with them about their futures.
- **College/Career Fair:** 30 of our upperclassmen traveled to Grand Ledge High School again this year to participate in a College and Career fair with over 80 schools, businesses, and military programs.
- **Broiler Contest:** Our Ag students have been working hard to raise Cornish birds for the Broiler Contest. They traveled to the Munsell's Poultry Processing Plant in Fowlerville to

learn about the process last week. They're eagerly awaiting the results of the competition.

- **Parent-Teacher Conferences:** Our Fall parent-teacher conferences were a great success. We had a good turnout both nights! Shout-out to the parents who put together an amazing meal for the teachers!
- **Fall Murphy Award:** Bree DeLano was nominated by our staff as the Fall Murphy Award recipient. She was celebrated by the Williamston Rotary at a breakfast and received a gift from them.

- **Grand Ledge Marching Band Exhibition:** The Pride of the Aggies competed against area marching bands at Grand Ledge High School, representing Dansville well. They got some positive feedback from the judges, and as a little treat, they were able to see the MSU marching band, including Dansville Alum Carter Tkaczyk! Thank you to Mr. Mayor for some awesome photos capturing the night!
