

High School Board Report

November 2025

1. **FFA National Convention:** Mr. Sheridan, Mr. Andrews, and four of our FFA officers traveled to the National Convention in Indianapolis to join the hoards of FFA members from across the country. They learned some great stuff, did a lot of networking, and had a lot of fun.

2. **Veterans Assembly:** Once again, Mrs. Braman's classes presented a very moving display for this year's Veterans Day War Fair and Assembly. The War Fair was informative and engaging for the middle school students and the assembly was filled with great reminders to keep our veterans on our minds and in our hearts for the sacrifices they have made for our freedom.

3. **LCC & WTC Visits:** Mrs. Lloyd and Ms. Reinke took our Sophomores on two program visits last week, one to LCC West Campus and the other to check out WTC. The students had great things to say about both programs and were inspired by the opportunities they have coming to them next year and beyond.

4. **Elementary Buddies:** Mr. Bramlet's Dorm spent some time with their elementary buddies! This is one of our students' favorite things to do throughout the year.
