

# **Food Service Report**

## **December 2025**

Hello Board Members:

Since this is such a short turn-around from the last Board Report, I don't have much news to report to you.

I can say that our "Friends-giving lunch" was a success and we tried out a new type of turkey this year since I couldn't get the same turkey rolls I've gotten in the past. This was a Barbacoa turkey roll, and I worried that it might be spicy, perhaps too spicy for elementary students, but we got a lot of compliments, so I'd say it turned out a win!

My staff and I look forward to the Board Christmas Breakfast next week and having a chance to visit with some past employees for a brief time since we have to be mindful of the time and get back into the kitchens quickly to get lunch prepared. We are so thankful that you continue to gather us all for this special breakfast!

Happiest of Holidays to you all!

As always, thank you for the opportunity to serve my community as Food Service Director.
