

## Dansville Middle School Board Updates

January 2024

- The members of the Dansville High School Band performed at a holiday assembly for the students. Many of our teachers joined in the fun as guest artists playing various percussion instruments.
- Our students enjoyed Holiday Spirit Week, which culminated in a fun afternoon of activities on the day before break. Santa Claus (Mr. Kodet) visited during lunch and challenged some of the kids to a game of basketball.
- Dansville Middle School students continue to be recognized for being outstanding Aggies. We recently celebrated students who are working hard and showing improvement in the new semester.
