

## Dansville Middle School Board Updates

February 2024

- The Dansville Middle School FFA had two students participate in this year's Regional Leadership Contest. Kinley Sheridan was Third and is an alternate to the State Contest, and Lilly Meade will be representing Dansville at the State Convention in the Creed Speaking Contest.
- Our DMS students worked in house advisory groups to discuss making positive changes. Each student then had an opportunity to write a "Llama Promise" card to share their commitment for making a difference.
- Sixth grader Reyanna Miller was recognized with an Aggie Achiever Award for her tremendous growth this year. We plan to continue to celebrate students throughout the year for their growth and achievement toward personal goals.
- The DMS Student Council sold "candy grams" and hosted a dance for students to celebrate Valentine's Day.
